

## SENIORS REAL ESTATE SPECIALIST

I have recently earned the designation, awarded by the National Association of Realtors, of **SENIORS REAL ESTATE SPECIALIST**. This means that I have the knowledge, background and experience to help people over the age of 55 with various life decisions ranging from housing, legal issues, health decisions, moving arrangements, repair companies, handymen, cleaning people, sales of furniture, antiques, jewelry, etc., professional organizers, and senior move managers who pack, transport and unpack in the new location. I can assist with finding you a mortgage, determining whether to use your 401(k) as a down payment (RRSPS for Canadians), whether a reverse mortgage is right for you, referring you to an accountant or elder law attorney, finding a home and community that's appropriate, and a host of other issues and decisions specific to those over the age of 55. Some of that information is available in articles that I have assembled in this section of my website which I invite you to print and read at your convenience, and some by calling me at 239-823-3631 or Toll Free at 1-866-212-6227.

My background of being a small town practicing attorney for 41 years before retiring to Herons Glen 8 years ago, qualifies me to discuss things such as Wills, Trusts, mortgages, title, other legal issues, and make recommendations and referrals to estate planners, health care advisors, insurance agents, financial planners, accountants and many others who will make a relocation more intelligent and less stressful. Here in Herons Glen we have a group called "Friends Helping Friends" which provides medical equipment, transportation to medical facilities, and a host of other services. **Helping seniors is my passion-just call me!**
